ARRIVAL INFORMATION IN YOUR ROSCONGRESS PERSONAL ACCOUNT

All participants arriving in Russia from abroad to participate in SPIEF 2022 must indicate, at least 72 hours in advance, the following information in their Roscongress personal account:

- Country of departure
- Dates of arrival/departure
- Proposed point of entry into Russia (airport/rail terminal, city)

You can also obtain that contact information by reaching out to the information centre at +7 (812) 680 0000.
We thank you for your patience and compliance with these measures. The organizers are asking participants to report information about their expected arrival and departure dates exclusively to comply with the security measures placed in order to combat the spread of COVID-19 and facilitate your entrance into the Russian Federation.

**OBTAINING A VISA**

SPIEF 2022 invitation is the basis for citizens of foreign countries to obtain the documents necessary to receive a visa and to gain entrance to the Russian Federation. Upon presenting all the required documents, participants will be able to receive a same-day, short-term, single-use entry visa into the Russian Federation for the period from 7 to 26 June 2022.

In order to apply for an entry visa, the invited individual should visit their local consular office of the Russian Federation. The locations of your nearest Russian consular office can be found on the [website of the Ministry of Foreign Affairs of the Russian Federation](https://www.gov.ru/). For detailed information on SPIEF visa support card and documents needed to apply for a visa, see: [‘International Forum attendees: entering Russia’ section of the Forum website](https://www.forumspb.com).

**ARRIVAL IN ST. PETERSBURG**

**ARRIVAL BY AIR. PULKOVO AIRPORT**

Pulkovo Airport (LED) is St. Petersburg’s only airport that serves scheduled domestic and international flights. The journey time from the airport to the ExpoForum Convention and Exhibition Centre is approximately 15–20 minutes (depending on the traffic). Between 13 and 18 June, [accreditation points](https://www.forumspb.com) where participants can obtain their accreditation badges and [PCR testing centres](https://www.forumspb.com) will be available at Pulkovo Airport and Pulkovo VIP lounge. Information and services point will be staffed at the central terminal to provide Forum participants with all the necessary information.

Forum participants arriving at the Pulkovo 3 Business Aviation Centre and Pulkovo VIP lounge will be able to scan the QR code on the information banner to learn more about PCR testing, badge collection and transport services from a virtual AR assistant created with the support of the [MARMA augmented reality service](https://www.forumspb.com).

For a list of items requiring a written customs declaration and to find out how to fill in the declaration form, see the ‘Customs’ section of Pulkovo Airport website.

On 9 April, a number of coronavirus-related restrictions affecting flights between Russia and 52 countries were lifted. Please note that the restrictions in question affected the number and frequency of flights. By being lifted, airlines may potentially choose to expand their route networks. However, this development does not indicate a change in any health and safety measures in place (such as the need to provide a negative test for COVID-19).

ARRIVING AT PULKOVO AIRPORT BY PRIVATE JET

If a participant or group of participants is planning to arrive in the Russian Federation by private aircraft, but there are no direct flights between the country of departure and Russia at the time, it is necessary to request permission in writing to land the private jet and send it to the Roscongress Foundation.

Regardless of whether there are direct flights between the departure country and Russia, all participants arriving in Russia by private jet must submit a request to land the aircraft at Pulkovo Airport.

For the information on the procedure for obtaining Pulkovo Airport landing/departure clearance, and for the slot application form, see:

CURRENCY AND BANK CARD TRANSACTIONS

CURRENCY EXCHANGE

Please note the following currency exchange restrictions in the Russian Federation:

- Only USD and EUR cash can be freely exchanged for RUB cash
- You must present your ID (passport) for transactions over RUB 40,000
- There is NO exchanging non-cash currency for RUB cash using Mastercard or Visa bank cards issued outside of Russia. It is also not possible to withdraw RUB cash from these cards

For the latest exchange rates, please see the Central Bank of the Russian Federation website: cbr.ru.

For a list of currency exchange offices in Pulkovo Airport and the city centre, see the ‘Currency and bank card transactions’ section of the Forum website.

BANK CARDS

We do recommend having cash with you for the entire duration of SPIEF due to restricted use of foreign bank cards in Russia.

The use of MIR and UnionPay cards in Russia is not restricted in any currency. We do recommend SPIEF participants to get a new card/bring an existing card of these systems, if possible.

Please note that UnionPay has started its operations in Russia relatively recently. Therefore, cards of this payment system may occasionally malfunction.

Q&A. PCR TESTS

COMPULSORY PCR TESTING FOR BADGE ACTIVATION

All Forum participants, media representatives and staff who will be present at events must take a PCR test for COVID-19 at a dedicated Forum testing centre operated by Rospotrebnadzor. Results will be uploaded to the Forum information system automatically. Results of tests taken at other laboratories will NOT be accepted for access to the venue.

TESTING DURING THE FORUM (15–18 JUNE)

One PCR test for the entire duration of the Forum must be taken 24 hours before visiting the Forum venue, but no earlier than 12:00 on 13 June (GMT+3). Results will be provided within 24 hours. Test result is valid until the end of the Forum.

You can check the status of your badge in your Roscongress personal account (see Event dashboard for the event in question).

Accreditation badges are only activated, rather than distributed, on the basis of PCR test results. It is possible to take a test after receiving an accreditation badge or vice versa.

TESTING FOR ACCESS TO THE PLENARY SESSION

Plenary session attendees must take the PCR test on 16 June from 07:00 to 23:00. The result of this test is valid until the end of the Forum.
You may pass the PCR testing in any testing centre. If you have already visited the Forum venue previous days, you must take the additional PCR test again to attend the plenary session. For the convenience of participants in attendance at the venue, additional testing centres will be in operation at ExpoForum and Hilton Saint Petersburg ExpoForum.

Please be aware that attendance at the SPIEF 2022 plenary session is not included in the participation package and is by special invitation only.

WHERE TO GET TESTED
Testing will be carried out at the Forum’s dedicated testing centres, which are provided by Rospotrebnadzor in Moscow and St. Petersburg.

INFORMATION ABOUT COVID-19 IMMUNITY
In order to be admitted for PCR testing, all Forum participants must provide information about their immunity to COVID-19 in the Roscongress personal account:

- Information about COVID-19 vaccination status
- Information about previous coronavirus infection (COVID-19) status
- Information about the presence or absence of COVID-19 antibodies
- Information about permanent residence and temporary address in St. Petersburg during the Forum

Foreign citizens arriving from abroad to attend the Forum must upload a document (in Russian or English) confirming negative results from a PCR test for COVID-19 taken no earlier than 48 hours prior to arrival in Russia, indicating which country they arrived into Russia from in order to attend the Forum.

BOOKING A TEST
PCR testing at dedicated Forum testing centres is strictly by appointment only. To book a PCR testing, go to the ‘My events’ section of the Roscongress personal account and choose ‘SPIEF’, then open the ‘Event dashboard – COVID-19 and PCR testing’ tab. In the ‘COVID-19 – PCR testing centre and time slot selection’ section, choose the most convenient testing centre from the list and select a time slot.

Please note: in order to book a PCR testing you must fill in all the required fields of the questionnaire in the ‘Data on immunity to COVID-19’ section. Required fields are marked with an asterisk. A phone number is required, but you don't need to verify it.

If you are planning to take a PCR test in Moscow, you must print, fill out, sign a medical treatment consent form before visiting the testing centre and bring it with you. A sample copy of the consent form can be found in the Roscongress personal account.

Accredited drivers can book a test via the participant Roscongress personal account.

WHERE TO FIND YOUR ID
The ID is a participant’s identification number in the Roscongress personal account. A number is assigned to each participant after registering in the Roscongress personal account.

You can view your ID in the ‘Personal data’ section of the Roscongress personal account next to the participant photo.
If a test is not associated with a participant ID it **will not be possible** to send the test results to the Accreditation Centre in order to activate the badge for attendance at the event.

**PAYMENT FOR PCR TESTING**

**The cost of a single test is 1400 RUB.** Please pay in advance.

In order to pay for a test, you must provide the Forum participant ID of the person whose PCR test is being paid for.

TEST RESULTS

Before going to the Forum venue, please make sure that your test result is negative and your badge is activated. There are several ways to find out this information:

- An email notification ‘Badge is activated’
- A notification in the ‘Badge activation status’ tab in the Roscongress personal account

You can check the test result in the ‘COVID-19 and PCR testing – Test results’ section.

If you don’t get the test result and your badge is not activated, you can find out information:

- By calling the Forum information centre at +7 (812) 680 0000
- By calling your Roscongress Foundation specialist

There is no need to print out your test results. They will be submitted directly to the Accreditation Centre for badge activation.

BADGE COLLECTION

The SPIEF 2022 venue and a number of cultural, sports and entertainment programmes events may only be accessed if you have an accreditation badge.

We kindly ask that you collect your badge in advance at one of the accreditation points in Moscow or St. Petersburg in order to ensure easy access to the Forum venue.

Participants must have their badge and identity document (passport) with them at all times while at the Forum venue. The badge is personalized and may not be transferred to third parties.

If the accreditation badge is lost or damaged, please go to the Help Desk or any accreditation stand.
Before obtaining a badge, please make sure that conditions 1–4 in the diagram below have been observed:

1. Participation in the Forum is confirmed via the Roscongress personal account  
2. Personal information provided in the Roscongress personal account matches participant’s ID (passport) exactly  
3. A badge photo has been uploaded to the Roscongress personal account*  
4. Participation fee is paid  

Processing of data indicated in Roscongress personal account (process takes at least one day)

Participant badge is issued

* Colour photo against a light background; photo size 480 x 640 pixels. File format: .jpg or .jpeg.
Full-face photo with no headgear, with the face taking up at least 70% of the photo.

There are several ways to find out or be notified when a participant badge is ready:

- An email notification
- A notification in the participant’s Roscongress personal account
- A call to the Forum information centre: +7 (812) 680 0000
- A call to a Roscongress Foundation specialist

If you have forgotten your login and password, you can use the login and password recovery function on the Roscongress personal account login page or contact us by email: weboffice@roscongress.org.

DOCUMENTS FOR COLLECTING A BADGE

Participant accreditation badges may be collected in person (by presenting the identity document that is listed in the Roscongress personal account and original of personal data consent form) or by a third party acting on the basis of a power of attorney.

If there have been any changes to a participant’s ID since the application was completed, their personal data needs to be updated in the Roscongress personal account accordingly. If changes need to be made to fields that cannot be edited, a participant should inform Forum organizers via the contact person at the Roscongress Foundation.

Before issuing a badge, an accreditation point attendant will make sure that the data specified in the Roscongress personal account corresponds to the ID document. In the event of any discrepancies, it will not be possible to issue a badge the same day.

If a participant’s badge is collected by a third party using a power of attorney, the authorized person must present the following:

- The authorized third party’s passport
- An original standard power of attorney
- A list of participants
- Copies of the passports of all participants to be accredited
- Originals of personal data consent forms

A power of attorney form and a personal data consent form can be downloaded from the ‘Badge collection’ section of the Forum website.
ELECTRONIC TICKET
To simplify and expedite collection of accreditation badge a participant may present an electronic ticket at an accreditation stand.

You can print out an electronic ticket via the Roscongress personal account (‘Events – SPIEF 2022 – Event dashboard’ section). The electronic ticket contains information about the participant (full name, organization, and country), a QR code to be presented at special SPIEF 2022 centres when undergoing PCR testing, accreditation point locations and operating hours, and other essential information.

The electronic ticket is not a prerequisite for obtaining accreditation; it does not serve as a replacement for ID and does not grant access to the Forum venue or cultural, sports and entertainment programmes events.

ACCREDITATION OF PERSONAL VEHICLES
Forum participants may obtain accreditation for a personal vehicle in order to access the ExpoForum Convention and Exhibition Centre. More information on terms and conditions can be viewed in the Roscongress personal account, where accreditation requests for personal vehicles and drivers can also be submitted.

Accreditation requests will be accepted until 14 June 2022.

Once applied for, transport passes and drivers’ accreditation badges can be collected in person or by power of attorney at Accreditation Centre 1 (Outlet Village Pulkovo).

To view details on the conditions of accreditation, as well as the schedule for issuing transport passes and drivers’ badges, see:

‘Accreditation of personal vehicle’ section of the Forum website

Each transport pass is issued to a single specific vehicle and is linked to the vehicle’s data and access rights to the ExpoForum Convention and Exhibition Centre.

It is forbidden to transfer a transport pass or driver’s badge to a third party. Should this occur, the pass and badge will be withdrawn and annulled.

Accredited vehicles can park in areas matching the index on their transport pass. These include areas at ExpoForum or Pulkovskoye Shosse/Perevedenskaya Ulitsa (for vehicles with right of transit through the Forum venue and access to off-site parking areas). Free shuttle buses will run between ExpoForum and off-site parking areas A2, A3, A4, A5, and B.

PAYMENT FOR PARTICIPATION AND SERVICES
Participants can pay the participation fee and the cost of any services provided by the Roscongress Foundation at the financial services stands. The financial services stands also issue closing documents.

A 5.5% commission is charged when paying for participation and services at the financial services stands.

COVID-19 PREVENTION MEASURES

For the purpose of preventing the spread of COVID-19 infection, SPIEF 2022 will take place in compliance with recommendations of the World Health Organization (WHO) and Rospotrebnadzor, the Russian Federal Service for Oversight on Consumer Rights Protection and Welfare.

Participants and staff may only access the venue while wearing a mask. Masks must be worn for the entire time while in attendance at the venue. The organizers are able to provide disposable face masks and hand sanitizer.

We ask the participants to be receptive to these prevention measures. The health and safety of the Forum participants, guests, and staff are top priority for the organizers of SPIEF 2022.

For detailed information, see the ‘COVID-19 prevention measures’ section of the Forum website.
